

Sheffield Lifesaving Club

22nd February 2016

SLSC Annual General Meeting 2016

Dear Committee Members, Parents and Members,

We would like to invite you to the **Sheffield Lifesaving Club A.G.M. on Thursday 10th March 2016**. Commencing 18:30 in Meeting Room #1 at Ponds Forge (*through the double doors next to the reception, into the main Gym' Hall and the room is just past the stairs on the right*)

We hope that you all will be able to attend as many of you have shown an interest in helping with the Club so attending the AGM is a really an important and integral part of this.

I know we always emphasise that the club is run and coached by volunteers and parents and we continually need parents and volunteers to help and assist in the running of the club, the competitions and at any of our fund raising events.

Often we find that parents are willing to commit to supporting the Club, but cannot commit to a time-consuming role. This year, we are looking to establish a Fundraising Sub-Committee, formed and run by parents, guardians and members of the Club. Using all the good adhoc suggestions in meetings and feedback over the past 12 months.

Fundraising is essential for the Club to survive; the more activities and opportunities we offer, the more we rely on fundraising efforts to fund the equipment maintenance to support training, and the more we are able to subsidise competitions, exchanges and camps, and any other new opportunities we might be able to support.

Furthermore, we'd like the fundraising committee to have input on where the money raised can be spent beyond the bare essentials. Please consider helping us in this way or in some capacity, and if you have any questions or suggestions then please don't hesitate to get in touch.
