RLSS Assessments (Bronze Core & Medallion) and Course Packs

Dear Members/Parents,

Following on from the letter at the start of this year the members have been working on the new RLSS Course in line with the new Syllabus. We are now planning to start the swimmer assessments after the Easter holidays.

A pre-requisite to this is the RLSS course pack which costs **£23.95**. This includes a course book which has all the curriculum information for the award scheme along with the certificates and badges for the first 2 awards. These are the *Bronze Core* and *Bronze Medallion*.

Whilst some members have previously taken their bronze medallion this is now encompassed in a completely new RLSS Award Scheme with a new syllabus plus additional and updated requirements and levels of attainment.

We would like to be in a position to send off for everybody's Course Packs over Easter so that from the first week back (w/c April 17th) we can start to complete the assessments at 4 swimmers each week.

Can you please pay the £23.95 to Chris at the club desk.

***NOTE:** All swimmers submitting their completed assessments **must** be a member of the RLSS. Please speak to us if you need further details.*

Thanks

Jake Ledger
