RLSS - Sheffield Lifesaving Club Competition in Eindhoven 22 ~ 25 JAN 2016

To the Head Teacher of : _____

They are a member of the Sheffield Lifesaving Club based at Ponds Forge International Pool.

They have been asked by the club to represent both Sheffield and the UK in an international competition – run over 2 days - in Eindhoven in January. This involves teams not only from Holland but from Germany, Belgium and France.

We'd like to continue the success of our visit in January of this year when we won Gold, Silver and Bronze medals, along with recognition in the local media (The Star, Telegraph) and by the national body RLSS.

Due to the traveling involved, preparation and the competition being held on both the Saturday and the Sunday they will need to be out of school on Friday 22nd and then Monday 25th of January.

They will return to school the morning of Tuesday 26th.

They have been invited to represent Sheffield in this event and would be grateful if you can sanction this as authorised absence (ie. Sports) for these days.

They are looking forward to taking part and appreciate that this event not also incorporates the school's sports ethos but also enables them to lodge with a Dutch family as a part of this foreign exchange. A similar exchange is undertaken when the Dutch Team visit us in October.

Please contact myself or the pupil's parents if you need any further information or have any issues with this.

Thanks and Regards,

Chris Ledger – Club Secretary

Sheffield Lifesaving Club scooped a haul of medals at the Netherlands International Lifesaving Competition in Eindhoven.

The club - based at Hillsborough Leisure Centre - sent a junior and senior team to the contest, with the seniors winning a silver, team captain Jake Ledger taking a gold, and junior team captain Alice Gleeson picking up a bronze.

The final comprised a series of simulated water-based incidents with actors.
